## National Seminar 2019 Maranatha

The Spirit is saying to the churches:  
«Come to experience deeply a  
renewal of your hope for  
today's mission!»

March 20th-March 24th 2019

Maison Marie-Jeunesse,  
Sherbrooke, QC

## *From our National Director*

*At times, we face great challenges of our mission as evangelizers. How do we reach new participants? How do we proclaim the message of the Gospel with boldness in an increasingly hostile? Is it worth it? These are some of the weighty questions which we all carry to some extent!*

*The first Christian community experienced faith in a hostile context. Persecutions threatened the very lives of the believers and even the future of the Church. The book of Revelation in the Bible came to revive hope for this community and because of its inspiration, for the Church of every time and place. Do we not need this very revival in order to continue moving forward on our missionary journey?*

*The course "Maranatha" is offered from March 20th to 24th 2019 with the participation of Dexter Alejandro Reyes, the assistant director of the international team of the St. Andrew School of Evangelization. A meeting of the directors of every Canadian local schools will also take place during this National Seminar.*

*Do not miss this unique opportunity! May we let our hearts be warmed up at the fire of God's Word, and we experience a revelation to encourage us to go to the very end of our commitment as Jesus' disciples!*

National Director of SASE-Canada
